

## NATIONAL LEVEL DIABESITY QUIZ -2025

### CADETS-IN-CHARGE:

- Med Cdt Dev Singh (J3)
- Med Cdt Shail Sood (J3)

The National Level Diabetes quiz, was conducted by the Students' Scientific Society on 7<sup>th</sup> April (Preliminary Round) and the Finals are yet to be conducted.

The quiz was conducted as a part of World Health Day, the month of April.

A total of 59 participants from all over India participated in the quiz. Only Individual participation was allowed. Out of them, 5 of the highest scoring teams in the Prelims progressed to the finals.

The three highest scoring participants in Preliminary round include:

1<sup>st</sup> Position: Akshita Jain - Seth GS Medical College

2<sup>nd</sup> Position: Debayan Banerjee – Seth GS Medical College

3<sup>rd</sup> Position: Kshitij Desai – AIIMS Patna

World Sickle Cell Day is marked every year on June 19, a date chosen by the United Nations in 2008 to raise awareness about sickle cell disease (SCD)—a serious genetic blood disorder. Over 20 million people around the world live with SCD, and more than 300,000 babies are born with it each year, mostly in sub-Saharan Africa. The day is all about spreading the word, encouraging early diagnosis, improving access to care, and tackling stigma.

Date: 19<sup>th</sup> June 2025

Cadet-in-Charge: Med Cdt Rajvardhan Acharya (J3)
