## Igniting Ideas Illuminating Tomorrow

Igniting Ideas, Illuminating Tomorrow is more than a theme—it is a movement. It calls us to spark curiosity, challenge limits, and transform imagination into impact. Every idea begins as a flicker, but with courage, collaboration, and conviction, it becomes a beacon that guides progress. In classrooms, boardrooms, and communities, innovation lights the path toward sustainable, inclusive, and bold futures. When we nurture creativity and empower thinkers, we do more than solve problems—we redefine possibilities. The future belongs to those who dare to question, to experiment, and to lead with purpose. Let us ignite minds today so we can illuminate tomorrow.

# ABOUT AFMC

Armed Forces Medical College, Pune (AFMC), established on 1 May 1948, stands as a towering symbol of excellence, discipline, and national service. Recognized among the top medical colleges in India and acknowledged internationally in global medical directories, AFMC has built a reputation that extends far beyond borders. It is an epitome of research and innovation, contributing significantly to advancements in trauma care, infectious diseases, aerospace medicine, and military healthcare. With world-class infrastructure, distinguished faculty, and a legacy of producing exceptional medical professionals, AFMC is not just a very good medical college—it is a benchmark of research-driven excellence and leadership in healthcare.

# ABOUT ILLUMINATI

ILLUMINATI is a premier national undergraduate medical research conference hosted by the Department of Internal Medicine in collaboration with the Students' Scientific Society at Armed Forces Medical College, Pune. Since its inception in 2010, ILLUMINATI has been a flagship academic event at AFMC, inspiring young minds and fostering a vibrant culture of research and innovation among students of medicine and allied sciences across the country.

Over the years, it has built a distinguished reputation as a dynamic platform where ideas evolve into impactful discoveries.

This year, ILLUMINATI 2026 returns with the powerful theme: "Igniting Ideas, Illuminating Tomorrow."

This May, join us to Inspire, Innovate, and Illuminate—because the future of medicine begins with the ideas we spark today.

# REGISTRATIONS

Early bird : 2500/- per head

Late reg : 2700 /- per head

## ILLUMINATI 2026

### DELEGATE

Name: \_\_\_\_\_

College: \_\_\_\_\_

# REGISTRATIONS

Early bird : 2500/- per head

Late reg : 2700 /- per head

( after 15<sup>th</sup> April'26)

## FEATURES OF DELEGATE CARD

- 1) Exciting access to SKYSAVERS – the next in series of Army mela , NDRF drill and Heli Show
- 2) Unlimited abstract submissions: Submit as many as you want with no extra charges
- 3) Meals and refreshments : Breakfast , lunch and dinner along with refreshments
- 4) Access to Illuminati night : Enjoy the science night with music and vibe !
- 5) Workshop fest : Free access to any two workshops on different days
- 6) Enjoy the accomodation at just Rs 500 per person per night along with purchase of delegate card

**\*DELEGATE CARD IS COMPULSORY FOR ALL DELEGATES WHO GET SELECTED FOR OFFLINE ROUND OF CASE , POSTER , ORAL PRESENTATION ATLEAST ONE TEAM MEMBER OF HACKATHON OFFLINE ROUND TO PURCHASE DELGATE CARD**

# ACCOMMODATION

Non AC room : Rs 649/- per day

- One time security deposit: Rs 500/- per head [Refundable]
- The allotment of the rooms will be done by the Accommodation In Charges, based on the contingent size and duration of stay, hence available on a first-come, first-served basis. •
- Things provided by us, include a mattress, pillow, pillow cover and a bed-sheet
- Any damage to the rooms/hostel property/beddings will lead to deduction from the security deposit, decided by the Resident Warden.
- It is requested that you contact the Accommodation In-Charges to confirm your participation and/or the total number of delegates from your college requiring accommodation before hand, for ease in room allocation and availing special contingent discount offers.

# ACCOMMODATION

Non AC room : Rs 649/- per day

- Teams are requested to inform the Accommodation Desk, at least 2 hours prior to their checking out.
- In case of any queries and issues, contact

Enjoy the accommodation at just Rs 500 per person per night along with purchase of delegate card

# POSTER PRESENTATION

Step into a platform where your research becomes more than a presentation—it becomes a driving force for dialogue, discovery, and transformation. Whether you are decoding the complexities of disease, pioneering novel therapeutic strategies, or harnessing technology to redefine healthcare, your work deserves a stage where ideas are questioned, challenged, and elevated.

Here, research is not just presented—it is explored, examined, and evolved. Every hypothesis tested, every result analyzed, and every conversation sparked carries the potential to influence the future of medicine.

Step forward. Share your vision. Shape what comes next.

# POSTER PRESENTATION

REG FEES : 300 Rs

## ELIGIBILITY

- Open to all UG medical students.
- All articles must be original, and plagiarized abstracts will not be considered for evaluation.
- Entries will be taken in the form of Abstract Submission.
- A limited number of entries will be selected for further rounds.

## FORMAT OF SUBMISSION:

Word limit: 350 words .

- Font: Times New Roman, 12pt
- Spacing: 1.5 line spacing

## Structure:

- Title
- Background
- Methodology
- Conclusion
- Authors and Affiliations
- Aims and objectives
- Results

# POSTER PRESENTATION

## ABSTRACT SUBMISSION AND SELECTION PROCESS

- This year, we invite you all to send us common research abstracts that will be screened by a panel of eminent doctors, the best in their field of service.
- All abstracts will be submitted via a link that will be provided after you register.
- A submission fee of Rs 300 is applicable per abstract, one person may send multiple entries .
- Each presenter shall be given time of 5 minutes for preliminary round and 5 minutes for final presentation , exceeding the time shall lead to disqualification
- Last date of submission shall be: 10<sup>th</sup> April 2026

# CASE PRESENTATION

Every patient is a puzzle, and every diagnosis tells a story. The Case Presentation Competition offers you the platform to showcase your clinical reasoning, diagnostic precision, and medical expertise.

Bring forward intriguing cases, engage with seasoned experts, and sharpen your ability to think critically and act decisively under pressure.

This is more than a contest—it is a stage to demonstrate mastery, curiosity, and the art of medicine.

Step forward, challenge yourself, and let your clinical insight illuminate the path from mystery to diagnosis.

**REG FEES :200/-**

**ELIGIBILITY**

**Open to all UG medical students.**

- Entries will be taken in the form of abstract submissions. The Best Abstracts will be selected for the offline finals of the case presentation

# CASE PRESENTATION

## ABSTRACT FORMAT

The abstracts should only be strictly in PDF format.  
(Word limit: 350 words) Format of the abstract is as follows:

- Title
- Authors
- Background
- Case history, clinical examination and investigations (if any)
- Diagnosis & Treatment
- Conclusion

The TITLE should be written in capital letters.

The text should be in Times New Roman and font size 12.

The name of the presenting author should be highlighted and underlined.

The name & affiliation of the presenting author should be mentioned

# CASE PRESENTATION

## RULES

The abstract should be sent to the mail id that will be available after the abstract submission .

- The abstracts will be evaluated by a jury of experts and the selected participants will be allowed to present their cases during the event.
- In the case of two authors, the participants should note that only one presenter will be allowed.
- Authors and Co-authors should be from the same college.
- The presence of a co-author is not compulsory but a certificate will be awarded to them if they are present at the time of the event.
- Last day of Abstract submission is 10th April' 26.

# MED TECH HACKATHON

Step into our Medical Hackathon—where ideas transform into healthcare solutions. This event brings together innovators, clinicians, developers, and designers to collaborate on solving real-world medical challenges.

Participants will brainstorm, develop, and present impactful ideas aimed at improving patient care, optimizing healthcare systems, and advancing medical technology. Innovate, collaborate, and create solutions that can shape the future of healthcare.

## ELIGIBILITY

- Team of 2–5
- Undergraduates of any branch
- Inter college teams allowed

# MED TECH HACKATHON

## SCREENING ROUND

Round 1 would consist of an online screening:

- The problem statement would be announced prior on the website & Instagram page and on the whatsapp group you'll be added to upon registering.
- Registered teams must come up with creative solutions in the form of a device, app, service, etc. to be submitted as a document or PowerPoint or a video explaining the solution.
- Visual representation of the idea presented in the form of graphs or mind maps and illustrations is encouraged.
- The teams participating will be given URC – Unique Registration Code which should be included in the final presentation and the email ID
- This round mainly focuses on the product. The business model of the company need not be elaborated.
- The judges and the results for round one will be announced along with the scoring system used.

# MED TECH HACKATHON

Round 2 would be held offline on 3rd May 2026

For those teams that qualify round 1:

- Details will be shared to the respective teams

## REG FEES

- Round 1: 400 Rs
- Round 2: 600 Rs
- Atleast one team member should have delgate card in the teams that get selected for offline finals

Last Date of submission 10 April 2026

# PAEDIATRICS QUIZ

Are you ready to test your clinical knowledge and decision-making in one of the most dynamic areas of medicine? Presenting the Pediatrics Clinical Quiz, an engaging and intellectually stimulating challenge designed for MBBS undergraduates and interns.

This quiz will challenge your understanding of pediatric diseases, growth and development, diagnostics, and management principles. If you are passionate about child health and eager to sharpen your clinical thinking, this is your opportunity to learn, compete, and showcase your pediatric expertise.

## ELIGIBILITY

Participate as lone wolves or in teams of two  
Undergraduates and interns may participate

REG FEES : 200 Rs

Prelims and finals will be held offline on 1st May 2026

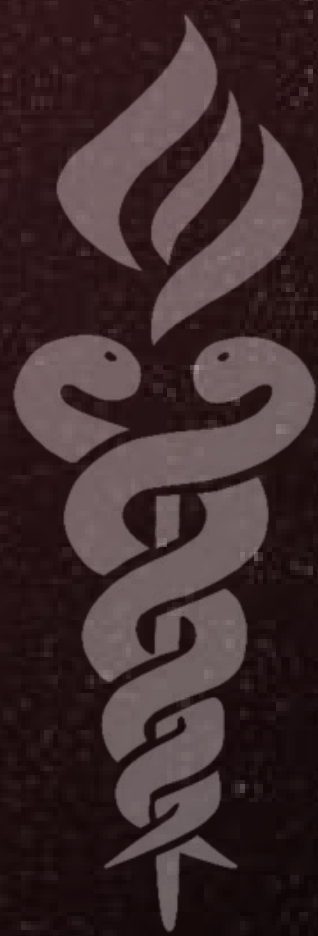

TIME: 1030 hrs

VENUE: AFMC, Pune

# PAEDIATRICS QUIZ

Only one team member needs to fill in the registration details.

Further details will be made available on the WhatsApp group which you'll be added to upon registering.

# SYMPOSIUM

Medicine advances through shared knowledge, dialogue, and collective inquiry. The Medical Symposium at Illuminati 2026 offers a dynamic platform for participants to collaborate, exchange ideas, and engage in thought-provoking discussions on impactful medical themes. Working in teams, participants will investigate important healthcare issues, analyze emerging innovations, and present their perspectives through informed discussion and critical evaluation.

This event encourages curiosity, research, and intellectual debate, inspiring participants to look beyond conventional thinking and contribute to meaningful conversations that influence the future of healthcare. Teams are welcome to select a topic of their choice, provided it addresses an area of genuine medical importance.

# SYMPOSIUM

## Format of abstract

The abstract should be submitted in a PDF format.  
(word limit: 800 words)

- 1) Title
- 2) Introduction
- 3) Aims and Objectives
- 4) Methodology
- 5) Results
- 6) Conclusion and Scope

## Last date of submission

### RULES

- Teams should have a max of 12 members and a min of 5 speakers.
- The final presentation will be held offline on th May 2026. The maximum duration of the final presentation is 15 minutes. (+2 minutes for tech setup). This will be followed by a Question-Answer Round of 5 minutes.
- The teams will be judged on the novelty, content, original research, audio visuals, poise and diction of the speakers, time management and the Q & A Round.

Reg fees :500 Rs

# PRE/PARA CLINICAL QUIZ

Are you ready to put your core medical knowledge to the test? PrePara Pulse is an engaging and intellectually stimulating quiz crafted for MBBS undergraduates and interns, designed to strengthen your understanding of the fundamental pillars of medicine.

Spanning across subjects like anatomy, physiology, biochemistry, pathology, microbiology, and pharmacology, this quiz challenges your grasp of basic sciences and their clinical relevance. From mechanisms of disease and drug actions to diagnostic principles and laboratory correlations, every question is designed to sharpen your analytical thinking and integration of concepts.

Whether you are building your clinical foundation or revising the essentials, this is your opportunity to learn, compete, and showcase your mastery of pre and para-clinical sciences—while winning exciting prizes!

# PRE/PARA CLINICAL QUIZ

## Rules-

Participate as a lone wolf or as a team of 2 members  
(only 1 intern allowed per team)

\* Registration Fee: 200 Rs

\* Who Can Participate?

MBBS (UG) students including interns

Prelims will be held online and finals will be held  
offline on 1<sup>st</sup> May 2026

Time: 1015 hrs

Venue: AFMC, Pune
